MILLION NEIGHBORHOODS NETWORK: Localizing Sustainable Development Through Better Connected Communities

WED, 12 FEB, 4:30-6:30 PM, HALL 2 RM 9

This panel focuses on SDG 11 and how community organizations, local governments, technology, academia, foundations, and development agencies can find a common approach to evaluating progress at the neighborhood level. The panel will also ask, what for you is the most important indicator at the neighborhood level?

Speakers include:

Luis Bettencourt, University of Chicago
Smruti Jukur, SPARC India
Sarah Nandudu, SDI
Raf Tuts, UN-Habitat
Theresa Williamson, Catalytic Communities
